

THIS PIECE IS FOR JULIUS SCOOP-KALIDA SCOOP-LAVENDER BUDGERIGAR-MRS BUDGERIGAR-PART 2

Julius: Yes, today I had a chocolate orange, a pound of sherbert lemons, two pounds of pear drops, six packets of fruit pastels and a toffee apple.

Lavender: *(From Audience)* I found it, I've got a golden ticket!

Lavender runs up aisle waving ticket and exits. Julius and Kalida exit.

DS: We're getting breaking news that another ticket has been found, it's back to Louise Munchkin on the spot.

Lavender and her mother enter.

LM: Yes by a miracle of coincidence I have the latest lucky ticket winner with me. *(To Lavender)* What's your name young lady?

Lavender: My names Lavender Budgerigar, I am a champion, I knew I would get one of these tickets, just like I know I will win the big prize at the end of the trip, because nothing can stop me!

LM: *(To Mrs Budgerigar)* She certainly is a very confident young lady.

Mrs Budgerigar: Oh yes, she gets it all from me, I used to be my school Gymnastics, cross country and badminton champion and I also got a bronze medal in the tiddlywinks at the London Olympics.

Lavender: *(Chewing gum)* I've already done all of those, except the tiddlywinks, but I expect to get gold in Tokyo. I am also world champion gum chewer, I have been chewing this piece for 2 months 11 days and 22 hours, another three days and I will have set a new world record.
