

## THIS IS FOR WILL.i.AM WONDER-PART 1

**WW:** (*Whispers on mic so audience can hear*) I'm facing the wrong way, it's ruined my big entrance.

**Wanda:** (*Stage whisper*) It's OK I'll introduce you again, people will think it's deliberate. Ladies and gentlemen Mr Will I am Wonder (*She spins the chair again and he ends up facing the back of the stage again*)

**WW:** (*Whispers into mic again*) This isn't working, do something you're supposed to be my PA.

**Wanda:** What if we ask everyone to come to the front of you?

**WW:** The whole theatre full? Don't be ridiculous.

**Wanda:** I see what you mean.

*Charlotte comes forward and gently turns the chair until it faces the audience.*

**WW:** (*To Wanda*) Why didn't you do that?

**Wanda:** Err....

**WW:** (*Standing suddenly*) Bong! Too late you're out of time and out of a job!

**Charlotte:** You can't fire her just like that, it wasn't her fault.

**WW:** How very wise you are young lady, just what I need in my new PA, you're hired.

**Charlotte:** But I didn't apply for the job?

**WW:** Bong! Wrong answer, you're fired too!

**Charlotte:** I never had the job in the first place.

**WW:** I am not surprised with that attitude, no one would employ you.

**GJ:** How dare you, that's just rude.

**WW:** I am sorry sweet lady, I didn't mean to upset your younger sister here. You know you are beautiful when you're angry.
